GENERAL INFORMATION

PLEASE READ CAREFULLY BEFORE COMPLETING THE APPLICATION FORM.

1. WHO NEEDS TO APPLY FOR A LICENCE

Anyone who carries on any class or description of the business of buying or selling vehicles in Western Australia is required to be licensed as a dealer under the *Motor Vehicle Dealers Act 1973*. This includes a business consisting of buying vehicles for wrecking, financing, auctioning, hiring or acting as an agent.

The types of vehicles for which a person must hold a motor vehicle dealer's licence to buy or sell includes:

- passenger vehicles
- commercial vehicles
- motorcycles/scooters
- caravans
- trucks
- campervans
- four wheel drive vehicles

Please note that a licence can only be issued to legal 'persons' (individuals or bodies corporate) and cannot be issued to a business name and/or a trust.

2. REGISTRATION OF A COMPANY AND/OR BUSINESS NAME

If the application is in the name of a company you must ensure that the company (body corporate) is **registered** in accordance with the requirements of the Australian Securities and Investment Commission. Although you are not required to submit proof of the registration, a search of the Company Names Register will be carried out to verify the registration and the names of the office holders. A licence cannot be issued until the company's registration is confirmed.

Any business name(s) that the applicant entity intends to use when trading must also be **registered**. The National Business Names Register will be checked to verify registration and ownership. A licence may not be issued until registration of a business name in the name of the applicant is confirmed.

You do not need to register a business name if you intend to trade under the names of the members of the partnership only, or in the case of a company the name of the company only.

To register a company or business name you should contact the:

Australian Securities and Investment Commission
Level 3, 66 St Georges Terrace Perth. Telephone: 1300 300 630
Website: www.asic.gov.au

3. FALSE AND MISLEADING INFORMATION

All partners/directors **must** complete and sign the authorisation and declaration.

It is important to note that all the information and documents lodged in support of the application must be complete and accurate. Providing false or misleading information is an offence under the *Motor Vehicle Dealers Act 1973*.

By signing the declaration on the application form you are confirming that you understand you can be found guilty of a criminal offence if any information is false or misleading in a material particular.

4. KNOWLEDGE OF THE *MOTOR VEHICLE DEALERS ACT 1973*

As one of the prerequisites to becoming a licensed dealer, the Commissioner must be satisfied that at least one partner or director understands fully the duties and obligations imposed by the Act on dealers, yard managers and salespersons.

To satisfy this requirement, generally at least one partner/director (qualifying person) must have successfully completed the **Dealer/Yard Manager Licence Requirements Course**. This requirement will depend on the qualifying person's previous experience or current licence status as detailed below.

- If a person has never been licensed under the *Motor Vehicle Dealers Act 1973*, or is currently licensed as a Salesperson, that person must complete the course.
- If the person is currently licensed as a Yard Manager, or has held a Yard Manager's Licence within the last 5 years, there is no requirement to complete the course again.
- If the person was the qualifying person of a licensed dealership within the last 5 years, there is no need to complete the course again.

For a list of course providers, please visit www.commerce.wa.gov.au/CP/MVtraining.

Each partner/director that has undertaken the training should provide a copy of their completion Certificate with this application. **If a partner/director (apart from the qualifying person) has not undertaken the required course, a condition will be imposed restricting that person from engaging in the buying or selling of vehicles without the prior approval of the Commissioner.**

5. 'FITNESS' TO HOLD A LICENCE – NATIONAL POLICE CERTIFICATES

The Commissioner for Consumer Protection must be satisfied that each person proposed to be involved in the management or control of a licensed dealership is of 'good character and repute' and a 'fit and proper person'.

All Australian citizens, permanent residents and anyone currently residing in Australia.

An Australian police check for each natural person (partner or director) that is an Australian citizen, permanent resident or currently residing in Australia is required to assist the Commissioner in determining the fitness of the applicant to hold a licence. The certificate/s must be no more than three (3) months old at the time of application.

Applications for National Police Certificates can be made in person at participating Australia Post outlets in Western Australia. If you reside outside of Western Australia you should contact your nearest local police station.

Please see www.police.wa.gov.au or www.commerce.wa.gov.au/CP/policechecks for further information.

Partner/Director's that are not Australian and living overseas.

An Australian police check is not required for a person that lives overseas and is not an Australian citizen or permanent resident.

6. FINANCIAL INFORMATION

The Commissioner must also be satisfied that an entity applying for a dealers licence has sufficient material and financial resources to enable it to comply with the requirements of the category of licence sought.

In order to assess this requirement, **the following information is required** to be provided

a) Credit history report

Rather than requiring that the applicant provides credit history report/s with the application, Consumer Protection will obtain the report/s on the applicant's behalf. The report/s assist in assessing whether the applicant has sufficient financial resources to enable it to meet its obligations under the Act. The report/s obtained will provide a 'snapshot' of the entity's credit history and other relevant matters and are equivalent to the report that is available to credit providers. You will be given the opportunity to provide additional information should a negative report be obtained. The report will be held by the Department as a confidential document and will only be released to third parties as required under law.

Where a company has been registered for less than 6 months, you must provide sufficient documentary evidence (for example: bank statements, loan documents, letter from Accountant etc) to satisfy the Commissioner that the new company has sufficient financial resources available to it.

b) Statement of Assets and Liabilities

A simple statement of assets, liabilities and net worth must be provided for the partnership or body corporate.

If the applicant is a **partnership** the combined assets and liabilities of the members of that partnership must be provided. If the applicant is a **company** only provide assets and liabilities owned by that entity, personal assets of company directors should not be included.

b) Sufficient resources declaration

The directors/partners must declare on behalf of the entity that they believe it has sufficient financial resources to comply with the requirements of the Act.

7. RELEVANT LEGISLATION

In addition to the *Motor Vehicle Dealers Act 1973* the following legislation administered by Consumer Protection also applies to your business.

Fair Trading Act 2010 (Australian Consumer Law) includes

- General protections against deceptive and unconscionable conduct, false or misleading representations and unfair contract terms;
- Guarantees for consumers as to acceptable quality of supplied goods, repairs and spare parts, remedies if goods are not acceptable, and a guarantee of a reasonable time for supply;
- Laws setting out rights relating to unsolicited consumer agreements;
- Product safety mandatory standards.

Retail Trading Hours Act 1987

- applies to retail shops in Western Australia south of the 26th parallel.
- sets the maximum hours a car yard is authorised to operate.
