GENERAL INFORMATION

WHO NEEDS TO APPLY FOR A LICENCE

Anyone who operates a business that includes repairing or servicing motor vehicles is required to hold a Motor Vehicle Repair Business licence. However, each member of a partnership must also hold an individual Repairer's Certificate issued by the Commissioner for Consumer Protection in order to personally do repair work.

A business must ensure that it engages at least one certified repairer for each class of repair work, at each of the premises that the business intends to operate.

You are reminded that, as a member of a partnership, it is an offence under the *Motor Vehicle Repairers Act 2003* (the Act) for you to carry out work on motor vehicles unless you are also the holder of a Repairer's Certificate. This offence does not apply to directors of a body corporate.

A licence cannot be granted to a Business Name and/or a Trust. Under the Act only a Sole Trader (Individual), Partnership (firm) or Company (body corporate) can be granted a licence.

REGISTRATION OF A COMPANY AND/OR BUSINESS NAME

If the application is in the name of a company you must ensure that the company (body corporate) is registered in accordance with the requirements of the Australian Securities and Investment Commission. Although you are not required to submit proof of the registration, a search of the Company Names Register will be carried out to verify the registration and the names of the office holders. A licence cannot be issued until the company's registration is confirmed.

Any business name(s) that the applicant entity intends to use when trading must also be **registered**. The National Business Names Register will be checked to verify registration and ownership. A licence may not be issued until registration of a business name in the name of the applicant is confirmed.

You do not need to register a business name if you intend to trade under the names of the members of the partnership only, or in the case of a company the name of the company only.

To register a company or business name you should contact the:

Australian Securities and Investment Commission

FITNESS TO HOLD A MOTOR VEHICLE REPAIR BUSINESS LICENCE

The *Motor Vehicle Repairers Act 2003* requires that you are of 'good character and repute' and 'a fit and proper person' to hold a licence.

National Police Certificate

All Australian citizens and permanent residents must submit an Australian police check.

To assist the Commissioner in determining your fitness to hold a licence an original National Police Certificate must be lodged in support of your application for each partner or director. The certificate must be no more than three (3) months old at the time of application.

Applications for a National Police Certificate can be made at participating Australia Post outlets in Western Australia on provision of identification and payment of a fee. Further information is available from the WA Police by visiting www.police.wa.gov.au or www.commerce.wa.gov.au/CP/policechecks.

If a relevant partner/director resides outside of Western Australia they should contact their nearest local police station.

Applicants that are not Australian and living overseas

A National Police Certificate is not required for a person that lives overseas and is not an Australian Citizen or Permanent Resident.

DURATION OF LICENCE

If the application is approved the licence will be issued for a period of three (3) years from the date it was granted.

RELEVANT LEGISLATION

In addition to the *Motor Vehicle Repairers Act 2003* and Regulations, the following legislation administered by Consumer Protection also applies to your business.

Fair Trading Act 2010 (Australian Consumer Law) includes

- General protections against deceptive and unconscionable conduct, false or misleading representations and unfair contract terms;

7. STAFFING

If you are a member of a partnership that repairs motor vehicles, you **cannot** do repair work unless you hold a Motor Vehicle Repairer's Certificate. If a director of a company is not a certified repairer they can undertake repair work only if they are supervised by the holder of a Motor Vehicle Repairer's Certificate.

A '**certified repairer**' means a person who has been issued with a **Motor Vehicle Repairer's Certificate** by Consumer Protection. It does **not** mean someone who has a 'Trade Certificate' or other qualification relating to the repairing of motor vehicles.

The supervision ratio of certified repairers to uncertified repairers is one as to three. Therefore you will require at least one certified repairer (for each class of repair work) for every three uncertified repairers that you employ at each of the premises from which you operate, including mobile premises. (I.e. if you employ six uncertified repairers, you will require at least two certified repairers to supervise them).

The following information will be used for **calculating your licence fee**.

Please answer	Number
<p>How many staff (certified and uncertified) are engaged in repair work including the owner/s of the business, if those people do repair work?</p> <p><u>DO NOT COUNT</u> apprentices, trainees and administrative staff.</p>
