Building examinations guide
Examination 4 - Financial, contractual and legislative

Assessment of a person’s knowledge and skills relating to an application for registration as a building practitioner under the Building Services (Registration) Act 2011

Objective
The Building Services Board conducts examinations to assess the knowledge and skills in relation to building work of applicants for building practitioner registration under the pathways identified in the Building Services (Registration) Regulations 2011 at regulation 16, Sets 4 and 5.

These examinations are designed to assess if the knowledge and skills of the applicant are equivalent to someone who successfully completed the Diploma of Building and Construction (Building).

There are no study guidelines for these examinations as they are a test of the knowledge and skills an applicant holds as a consequence of experience.

Content
There are five parts to this examination:
2. Building Services (Registration) Act 2011;
3. Other legislative requirements;
4. Contractual; and
5. Financial.

Examination date
To book to sit the examinations, complete and return “Form 48 – Intention to sit Board examinations”. The examination dates are published on the department’s website.

How do I prepare for an exam?

1. Make a summary which includes:
   - important formulas;
   - examples you have difficulty with; and
   - examples of graphs or diagrams.

2. Know your books:
   - identify the appropriate sections;
   - use coloured highlighter pens, sticky paper notes, or, if necessary, brief annotations to mark important pages in the study books; and

3. know how to use your calculator efficiently and effectively.

How do I sit for an exam?

1. Use the perusal time to:
   - read the exam instructions;
   - read through the entire exam;
   - note the questions you can do easily and cross those you cannot; and
   - note the number of marks for each question and work out a rough time for each.

2. Schedule your time:
   - give more time to questions worth more marks;
   - do the easiest questions first; and
   - clearly mark questions you leave out so that you can return to them later.

3. Review your work:
   - check your answer; and
   - check that you answered the right number of questions.
