Statements and other attachments

The statement attached to this application must be completed by the applicant.

The completed statement must be attached to this application prior to lodgement with the Plumbers Licensing Board.

Attach other information that may support your application. This may include, but is not limited to, the following:

- a) plans and specifications;
- b) expert technical reports;
- c) legal opinions;
- d) whether the non-compliance is proposed to be temporary; and
- e) a letter from the owner of the property stating they are aware of the application.

Note:

You should be aware that applying for modification or non-application of a plumbing standard is a very serious request and is not a decision that can be made without substantial justification.

Such a declaration can only be made where:

- a) the Plumbers Licensing Board is satisfied that making the declaration will not result in an increased risk to people, property or the environment; and
 - a. there is a public interest in doing so; or
 - b. it is consistent with the purpose of any other written Western Australian law or Commonwealth law.

It is the responsibility of the applicant to prove the above to the Plumbers Licensing Board
