Dear Minister

MINISTERIAL REVIEW OF THE STATE INDUSTRIAL RELATIONS SYSTEM

The Australian Medical Association (WA) would like to thank the Minister for providing the opportunity to comment on issues which the Association believes protect the interests of the medical profession in WA, to consider, originate and promote improvements or amendments to the law as it relates to the medical profession and the WA community.

The Ministerial Review of the State Industrial Relations System presents an opportunity to improve the way the State industrial relation system operates, creating more efficiency, improving outcomes and supporting the work and development of those who deliver health services. Consultation with stakeholders is key to the success of the Review and the Association looks forward to working with Mr Mark Ritter and Mr Stephen Price to address the issues raised in the submission.

Please find our submission attached.

Yours sincerely
