Doing Business with WA Local Government

Emma Gillespie, Procurement & Contract Manager
Helping WA Local Government achieve compliance & value for money
WA Local Government Procurement

• Governed by the *Local Government (Functions & General) Regulations 1996*

• $100,000 tender threshold

• Purchasing Policy

• Department for Local Government is a regulator

• WALGA provides procurement advice, support and services to Local Governments
Quote based purchasing

- Most WA LG procurement is quotation-based (up to 80%)
- Lack of sufficient control, transparency & probity over quotation processes
- Decentralised procurement structure presents governance & compliance risks
eQuotes is the recommended way for WA Local Governments to request quotations:

- Probity
- Value
- Standardisation
- Efficiency
eQuotes Implementation Update

- Over 750 suppliers
- 170 local groups
- Over 1000 buyers
- Over 1600 requests
- 8 local supplier upgrades
Becoming a WALGA Preferred Supplier

WALGA delivers a wide range of value adding and capacity enhancing products and services which will provide significant financial savings and service efficiencies. For more details refer to the WALGA Preferred Suppliers Directory.

Welcome to WALGA E-Tendering

Welcome to WALGA electronic procurement and tendering web pages, which have been designed to improve the speed and efficiency for both WALGA and our suppliers.

WALGA wishes to invite organisations to bid for the supply of the undermentioned goods and/or services contained within these web pages.

To use this system and to access the tenders being called by WALGA, you must first be a registered Supplier.

Registration is free and to register, click on the registration tab above.

If you would like to search for tenders from councils in Western Australia, choose from the drop down menu below. If you wish to access the WALGA home page, click on the logo in the web banner.
