CIRCULAR TO DEPARTMENTS AND AUTHORITIES NO. 5 OF 2018

MAXIMUM ANNUAL LEAVE LOADING IN 2018

Public Sector Labour Relations (PSLR) is routinely updating public sector industrial instruments to reflect the maximum annual leave loading payable under clause 33.4 of the *Public Service and Government Officers CSA Industrial Agreement 2017 (GA7)*.

Notwithstanding, and for the purpose of establishing an annual leave loading maximum, some industrial agreements continue to reference either:

- Average Weekly Earnings (AWE) as published by the Australian Bureau of Statistics; or
- this Circular.

For these industrial agreements only:

- the maximum annual leave loading that may be paid on four weeks' annual leave is **\$1,646.90**; and
- the maximum annual leave loading for shift workers entitled to an additional week of annual leave is **\$2,058.62**.
