Dear Mr Ritter SC,

**Ministerial Review of the State industrial relations system**

I have recently completed a research masters thesis about unjust enrichment and employee overpayments in Western Australia. A copy of my thesis can be found on the Murdoch University research repository: <http://researchrepository.murdoch.edu.au/id/eprint/39345/>

In my thesis, I have made recommendations about how the law in Western Australia could be amended to better deal with overpayment disputes between employers and employees. My recommendations are contained in Chapter XIV of my thesis.

I would be much obliged if you would consider the recommendations I have made in my thesis in your report into the State industrial relations system.

Please feel free to contact me if you have any questions.

Regards,

Cory Fogliani
