

Form 202 Changes to plant information

Regulations 282(3) and 284(1) Work Health and Safety (General) Regulations 2022

Use this form to notify WorkSafe of changes to registered items of plant and to amend the registration accordingly. Changes include:

- The registration holder no longer has management or control of an item of plant. This includes the item of plant being sold or transferred to a new owner or item of plant that is being disposed or withdrawn from service
- Relocation of fixed plant, or
- Alteration to plant that requires new control measures.

1. Type of change

Please select the type of change. Then complete the relevant sections, as indicated.

<input type="checkbox"/> Change in management or control	Section 2, 3, 5 (if applicable) & 6
<input type="checkbox"/> Relocation of plant	Section 2, 3 & 5
<input type="checkbox"/> Alteration (an alteration to an extent that requires new control measures)	Section 2, 3 & 4

2. Details of the registration holder

(The registration holder is the individual or body corporate named on the plant registration document or authorisation)

Is the 'person' in management or control of the plant an individual or a body corporate? The person in management or control of the plant is the individual or body corporate who holds the current authorisation for the plant registration.

Complete either section **2.1 for individual** or **2.2 for body corporate**
