Use of this form

This form is to be used by painters trading in company structures that are currently registered as contractors with the Building Services Board and are applying for their registrations to be renewed.

If you decide that your company no longer requires painting contractor registration, please advise the Board.

Registration as a painting practitioner

In Western Australia a painter who wishes to act as a nominated supervisor for a registered painting contractor or wishes to use a prescribed title such as *registered painting practitioner* must be registered as a painting practitioner.

Registration as a painting practitioner does not authorise a person to provide services as a contractor. This form does not permit renewal of a painting practitioner registration.

- contract with others to provide services as a painter with a value \$1,000 or more and is located within the area of the Board's jurisdiction; or
- use a prescribed title such as registered painting contractor.

Financial probity

If your company or one of its officers has experienced an insolvency event, further information regarding this event(s) may be required. In certain circumstances, the Board has the power to declare a person an excluded contractor from registration as a painting contractor on either a temporary or permanent basis.

If an officer of your company is currently declared an ineligible person, the company's registration cannot be renewed.

Excluded contractor

Nominated supervisor

If a painting contractor changes a nominated supervisor the contractor must give written notice to the Board within seven days of this change.

Building service debt

If your company has incurred a building service debt, being an unsatisfied court judgement or adjudication determination that has not been paid, its registration cannot be renewed.

You are strongly encouraged to apply for renewal well before your expiry date to avoid your registration expiring.
