

Renewal of registration

Building surveying practitioner technician

Form 64

Use of this form

This form is to be used by building surveyors who are currently registered as practitioners as a technician with the Building Services Board and are applying for their registrations to be renewed.

If you decide that you no longer require building surveying practitioner registration, please advise the Board.

Registration as a building surveying practitioner technician

In Western Australia a building surveyor who performs statutory functions under the *Building Act 2011* must be registered. A building surveyor technician is limited to certifying compliance of buildings with a maximum floor area of 500 square metres and not more than two storeys

Registration as a building surveying practitioner technician does not authorise the person to contract with others to provide building surveying services.

Australian police check

The Board must be satisfied that you are a fit and proper person to hold a building practitioner registration.

To help assess your fitness and propriety, you must provide an Australian police check that is not more than three (3) months old at the time you lodge your application for renewal. For more information go to:

www.dmirs.wa.gov.au/licensingpolicechecks

Registration expiry date

You must submit your form no later than the registration expiry date.

You are strongly encouraged to apply for renewal well before your expiry date to avoid your registration expiring.

Duration of registration

The renewal is for a period of three years.

Registration renewal fee

The registration renewal fee is for three years.

GST is not payable on this fee.

If the Board refuses your application the registration fee will be refunded.

Late renewal of registration

If there is a reason you have not submitted your form by the expiry date, you can apply for a late renewal. Late renewals can only be accepted within six months from the expiry date. However, the Board must also agree your circumstances are exceptional in order to accept your late renewal.

A fee is payable for late renewal of registration.

If you are not eligible for a late renewal you can re-apply for registration.

Return of documents

The Department does not return documents. If required, make a copy before you submit your form and attachments.

After your form is submitted

If the Department requires further information, you will be contacted.

Applications and payments

Complete and sign your form. Submit it with your supporting documents and payment no later than the expiry date.
