

RESTRICTED ASBESTOS LICENCE HOLDERS

Licensed to perform all restricted asbestos work in accordance with Part 5 of the Occupational Safety and Health Regulations 1996

Please refer to the Licence holder to ensure they have met their legal obligation to have a competent person employed within the business, who has been validated and approved by WorkSafe prior to commencing any work under the licence.

This list is updated monthly. If you require information about the current status of specific restricted asbestos licence holders, the information is available through the [WorkSafe licence and registration search](#).

If the details in this list need updating, please contact WorkSafeRegistration@dmirs.wa.gov.au
