**ADVICE ON CONSULTATION REGULATORY IMPACT STATEMENT
REGULATORY IMPACT ASSESSMENT: COMPLIANT
STATUTORY REVIEW OF THE RESIDENTIAL PARKS (LONG-STAY
TENANTS) ACT 2006**

Thank you for submitting your Consultation Regulatory Impact Statement on the above matter.

The Regulatory Gatekeeping Unit advises that the Consultation Regulatory Impact Statement meets the Western Australian Government's adequacy criteria as detailed in the 2010 *Regulatory Impact Assessment Guidelines for Western Australia*. The Consultation Regulatory Impact Statement, along with this compliance assessment notice, can now be placed on your website for public consultation.

Following consultation, the next stage of the Regulatory Impact Assessment program is the preparation of a Decision Regulatory Impact Statement. The Decision Regulatory Impact Statement should summarise the outcome of consultation, and provide a cost benefit analysis of the options, including a comprehensive assessment outlining how the preferred option will impact upon consumers, business and government.

Please note, if any significant changes are made to the Consultation Regulatory Impact Statement, the Regulatory Gatekeeping Unit should be contacted. The reference **RG0841** should be quoted in all future correspondence and compliance reporting on this proposal. Please retain this letter as a record of the Regulatory Gatekeeping Unit's advice.

If you have any questions or comments please contact Melissa Lui Yuen on 6551 4754. Alternatively, you can also email the Regulatory Gatekeeping Unit at regulatorygatekeeping@finance.wa.gov.au.
