

Should all landlords be required to register with Consumer Protection?

Possible options

- Introduce a compulsory register of all landlords.
- Introduce a non-compulsory list and encourage landlords to register.

Tell us what you think...

- Should there be a register of all landlords in WA? Why or why not?
- If there is a register, what information should be included in the register?
- What limits should there be on how the information is used?

It's easy to have your say!
