

Retirement villages legislation is being reformed

The second consultation paper is focused on operator management responsibilities to the village community including issues such as:

- payment of exit entitlements within a time limit
- responsibility for capital works
- obligations in regards to village budgets
- clarifying refurbishment obligations and land owner and operator responsibilities.

Later papers will examine issues such as the RV scheme, compliance and enforcement, and multi-site villages and village redevelopment.

You can view the second consultation paper at:
