

Comments on the *Work Health and Safety Bill 2014*

| Clause (section) of the Model WHS bill | Comment |
|----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Part 2; Division 2; Section 19 | <p>In the current OSH Act 1984 Part 3; Division 2; Section 19 it states “(d) where it is not practicable to avoid the presence of hazards at the workplace, provide the employees with, or otherwise provide for the employees to have, such adequate personal protective clothing and equipment as is practicable to protect them against those hazards, without any cost to the employees; and”</p> <p>In the WHS bill 2014 I cannot see any provision to protect workers from incurring the cost of the supply of personal protective equipment.</p> |
